Hallowe'en Is Mystery Nite

Hallowe'en appeals to the public fancy for the evening is surrounded with delightful bits of mystery of witches, ghosts, spirits, hobgoblins and any strange, or queer flutterings, shadows and noises, all of which invites the human element of wonder and interest.

It is true that the ancient Druids had an autumn festival which commenced at midnight, Oct. 31, and lasted thru the following day, and that among other things they believed the great lord of death, Saman, called together wicked souls who had been condemned to death to appear in the bodies of animals. It is from this belief that the ghosts and spirits are supposed to have had their origin.

No matter how much fear is spread during the evening with feasting of some sort or another, and the food served in keeping with the fall supply of foods, such as nuts, apples, pumpkins and the like.

For a change from pumpkin pie, serve pumpkin ice cream with devil's food cake. Try this recipe for the ice cream if you do not have one of your own.

PUMPKIN ICE CREAM 1 quart thin cream 2 eggs 1 1/4 cups brown sugar 1 teaspoon cinnamon 1/2 teaspoon nutmeg 1/2 teaspoon ginger 1/2 teaspoon cloves 1/4 teaspoon salt 1 No. 1 can pumpkin (2 cups)

Send the cream in a double boiler, saving about a quarter of a cup to moisten the sugar. Blend sugar with spices, milk, small amount of cream and beaten eggs. Add hot cream and stir until mixture thickens and is smooth. Add the pumpkin and blend thoroughly. Cook four into a refrigerator pan and freeze, or into an ice cream freezer and turn the crank. Serves six to eight.

After the games a program was presented by the Pedro girls and refreshments of cheese sandwiches, potato salad, orange sherbet and iced tea were served. The Narbonne girls were accompanied by Miss Anna Mae Mason, G. A. A. sponsor; Mrs. Gail McKeown, Junior G. A. A. sponsor; and Miss Louise Ernst, playground director.

Narbonne's junior high Airplane Club, under the sponsorship of Mr. Hunt, staged a glider meet on the boys' field Oct. 13, with 20 boys competing. The best flights were made by Shigeo Wada and Keith Keen. Others who followed close behind were Gus Kroeson, Bill Crowther, Richard Gumm and John Chaison. The boys were planning an R. O. G. contest in the near future. At their next club meeting they will each make a choice of some project to be completed by the end of the term.

Plans for a Japanese garden are being made by members of Narbonne's Nippon Club, although the exact location of the garden has not yet been decided upon. The Japanese students are planning a trip to the Japanese garden at Roosevelt high school before starting to work on their own.

A reception honoring the mothers of new pupils at Narbonne and the teachers was given by the P. T. A. Oct. 20 in the school cafeteria. The program began at 2 o'clock, after the regular business meeting of the organization.

More Lock Boxes Will Be Installed

Demand for lock boxes at the Long Beach postoffice has become so pressing that Postmaster Birda Paddock has made arrangements to install a second section. Double doors leading into the work room of the office will be removed to make room for the new section. There is already a long waiting list and most of the boxes will be rented as soon as they are installed.

Business at the Long Beach postoffice has been increasing steadily, and the affairs of the office are efficiently managed as shown by the rating of 98 percent given on a recent department inspection.
